

Marketing Concepts: Nike

General Understanding of Marketing

What is it?

- Promoting, selling and distributing a product or service (Kotler & Keller, 2019).
- It drives business growth, creates brand awareness, attracts customers, and builds loyalty.
- **Nike Example:** The *Just Do It* campaign is a strong example of motivational marketing (Nike, Inc., n.d.).

toppng.com. Nike Just Do It Logo. Pinterest, 2025.

Scope of Marketing

- **People:** Targeting individuals or influential groups.
 - Nike connects with consumers through athlete endorsements (e.g., LeBron James, Serena Williams).
- **Place:** Promoting specific locations or destinations.
 - Nike has a global presence through retail stores and e-commerce (Statista, 2023).
- **Event:** Engaging audiences through events and experiences.
 - Sponsorships of major sports events promote brand visibility.
- **Idea & Emotional Marketing:** Promoting concepts, causes, or movements. Connecting through emotional triggers and
 - Nike markets athleticism and perseverance, as seen in campaigns like *Find Your Greatness* (Solomon, 2021).

Nike, Inc. (n.d.). *Jordan*. Nike.

Customer Relationship Management (CRM)

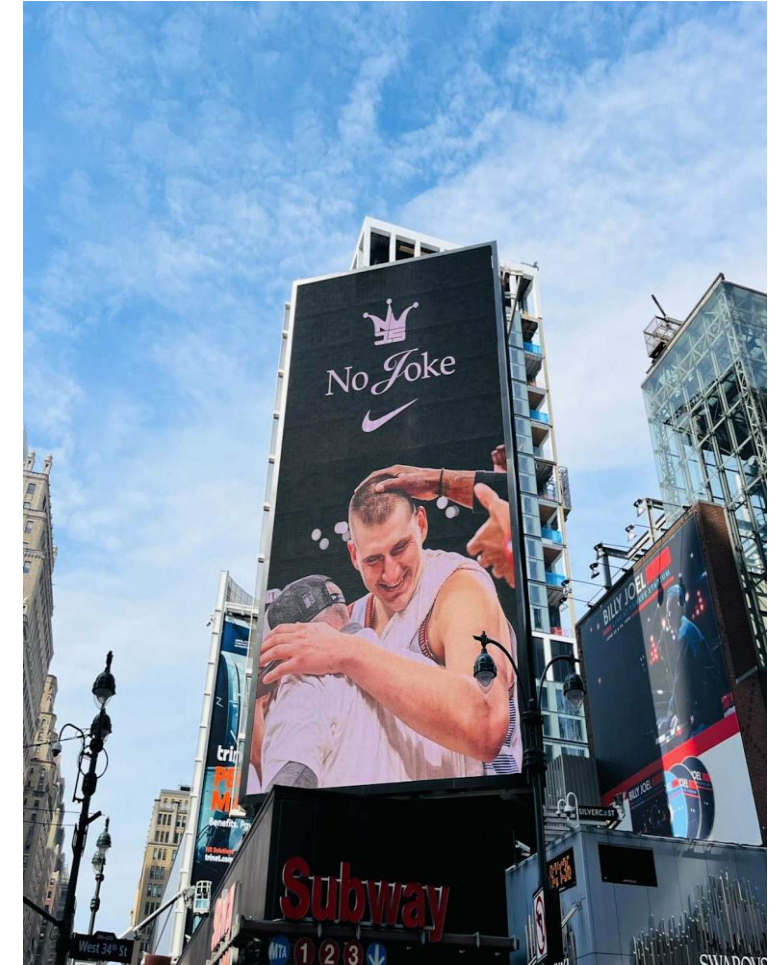

- Customer relationship management (CRM) is a set of integrated technologies used to document, track and manage an organizations relationships and interactions with existing and potential customers. (Downie, 2024)
- Nike part takes in customer relationship management by building a community on social media.
- In 2018 Nike acquired a big data company called Zodiac to help gather data on purchasing customer purchasing habits. (Barseghian, 2019)
- Nike is using an app to deepen its relationship with customers. The app provides access to the Nike Plus rewards program, which offers exclusives and early access to new products. (Barseghian, 2019)

(Nike, 2024)

Marketing Segmentation

- Demographic- Nike has classified its products according to gender and group, typically between 15 and 55 years old. The company also categorizes its products from men, women, and kids.
- Geographic- Nike tailors its promotional campaigns to different regions based on popular sports. In the U.S., ads highlight baseball and football, while European campaigns focus on soccer.
- Psychographic- Nike offers variety to the customers making it very versatile in functional athletic wear while also giving a good lifestyle casual wearing brand as well.
- Behavioral- Nike wants to keep customers by offering discounts and benefits through customer loyalty. Keeps ads, and social media, and encouraging families and friends to share experiences with their brand.

(M4G Bureau, 2023)

Core Steps of a Marketing Strategy

- Target audience
- Market research
- Value proposition
- Marketing channels

(kirshnamurthy, 2022)

New Product Development Process

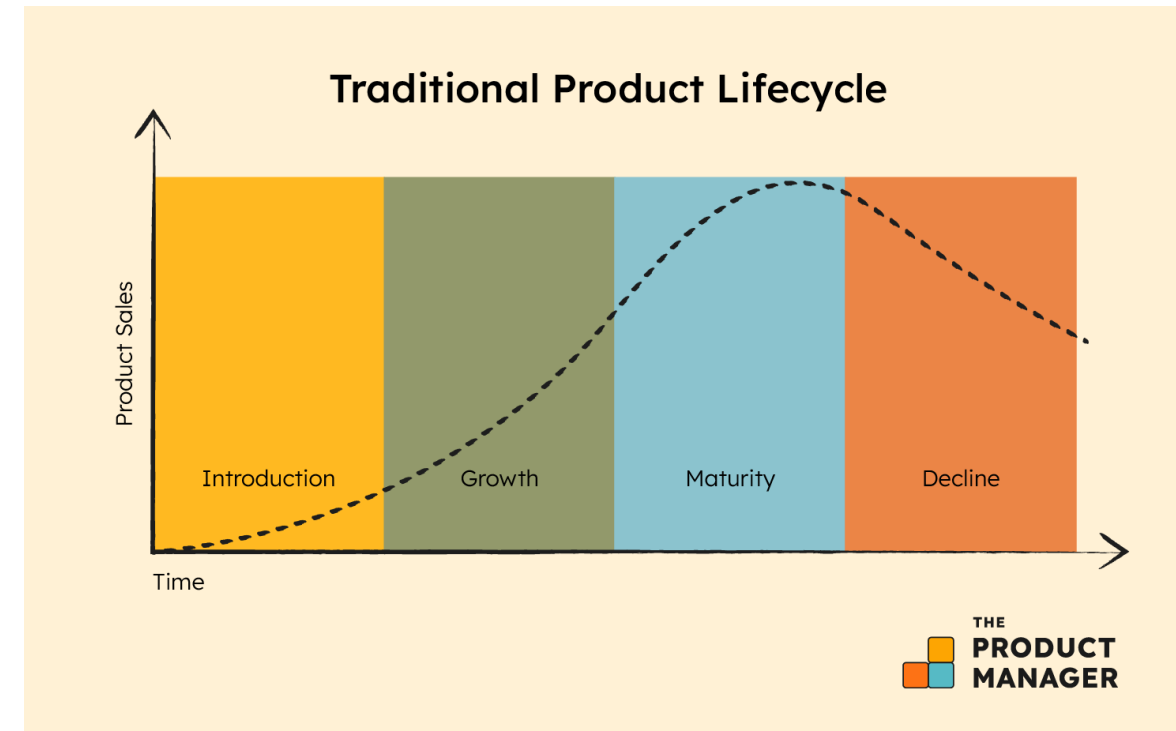

1. Develop an idea
2. Product definition
3. Prototyping
4. Initial design
5. Validating and testing
6. Commercialization

(Gilbert, 2023)

Product Life Cycle Stages

- Introduction – Launch of the product
- Growth – Gain new costumers and increase market share
- Maturity – Sales plateau, focus on marketing differentiation
- Decline – Reduction in sales, multiple products marketed to balance revenue

(Fernandes, 2024)

Consumer Decision-Making Process

- Cultural Factors – Values, attitudes, and social class
- Social Factors – Friends, family, and reference groups
- Personal Factors – Demographics and personality
- Psychological Factors – Motivations, attitudes, perceptions, and learning

(Demodern, n.d.)
